

Dude Wipes Medicated - Introducing Script v2

A large standing hoop erupts into flames. The Dude walks up to it, outlined by the flames.

DUDE

There's a burning ring of fire, and this time,
it's your butt that burns, burns, burns.

The Dude holds up a pack of Dude Wipes Medicated.

DUDE

Sounds like you need Dude Wipes Medicated -
with Witch Hazel, Vitamin E, and Aloe. Soothing, healing
wipes perfect for whenever there's a fire in the hole.

An acrobat jumps through the flaming hoop, while another spins
around a flaming hula hoop or baton or something.

The Dude walks past them.

DUDE

You don't have to jump through hoops just to make it
possible to sit again, Dude Wipes Medicated got you
covered.

Performer blows flames out of their mouth.

DUDE

Got some collateral damage from the flamethrower in your
rear? Dude Wipes Medicated will soothe and heal while
leaving you feeling just like this:

The world turns from hot reds to cool blue tones.

One of the performers cool themselves with a misting fan.

One of the performers blows bubbles instead of fire.

The Dude and a bunch of the performers all stretch out next to a
beach-themed kiddie pool setup, complete with tropical drinks.

A calming steam settles around them. The flames have been
extinguished.

ALL PERFORMERS AND DUDE

Ahhhh.

A DOCTOR walks up next to the pool.

DOCTOR

9 out of 10 actors dressed up like doctors
recommend Dude Wipes Medicated.

The Dude raises a drink out of the water and toasts to the camera.
